24. The Facility must be, but is not, in compliance with the ADA and ADAAG.

25. The Property must be, but is not, in compliance with the ADA and ADAAG.

26. Plaintiff has attempted to, and has to the extent possible, accessed the Facility and the Property in her capacity as a customer of the Facility and Property, and as an advocate for the disabled, but could not fully do so because of her disabilities resulting from the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

27. Plaintiff intends to visit the Facility and Property again in the future as a customer and as an advocate for the disabled in order to utilize all of the goods, services, facilities, privileges, advantages and/or accommodations commonly offered at the Facility and Property, but will be unable to fully do so because of her disability and the physical barriers to access, dangerous conditions and ADA violations that exist at the Facility and Property that preclude and/or limit her access to the Facility and Property and/or the goods, services, facilities, privileges, advantages and/or accommodations offered therein, including those barriers, conditions and ADA violations more specifically set forth in this Complaint.

29. Defendant will continue to discriminate against Plaintiff and others with disabilities unless and until Defendant is compelled to remove all physical barriers that exist at the Facility and Property, including those specifically set forth herein, and make the Facility and Property accessible to and usable by Plaintiff and other persons with disabilities.

30. A specific list of unlawful physical barriers, dangerous conditions and ADA violations which Plaintiff experienced and/or observed that precluded and/or limited Plaintiff's access to the Facility and Property and the full and equal enjoyment of the goods, services, facilities, privileges, advantages and accommodations of the Facility and Property include, but are not limited to:

**(a) EXTERIOR ELEMENTS:**

- (i) The accessible parking space on the Property does not have identification signage that complies with section 502.6 of the 2010 ADAAG standards.
- (ii) The accessible parking space on the Property is not adequately marked, in violation of section 502.1 of the 2010 ADAAG standards.
- (iii) The accessible parking space on the Property does not have an adjacent access aisle, in violation of section 502.3 of the 2010 ADAAG standards.
- (iv) The accessible parking space on the Property is not located on the shortest accessible route from the accessible parking space to the accessible entrances of the Facility, in violation of section 208.3.1 of the 2010 ADAAG standards. This requires that

disabled individuals travel across the parking lot on the Property, encountering significant vertical rises, broken pavement and potholes, in order to reach the most proximate ramp.

- (v) There are excessive vertical rises at the base and landing of the accessible ramp on the Property, in violation of section 405.7 of the 2010 ADAAG standards.
- (vi) The ramp servicing the Property has a slope exceeding 1:12 (one to twelve), in violation of section 405.2 of the 2010 ADAAG standards.

**(b) INTERIOR ELEMENTS:**

- (i) The interior of the Facility has sales and services counters lacking any portion of which that has a maximum height of 36” (thirty-six inches) from the finished floor, in violation of section 904.4 of the 2010 ADAAG standards.
- (ii) Due to an apparent policy of storing inventory and other items

within the accessible routes within the Facility, along with the placement of video gaming machines and the stools used by the public to access said gaming machines, those routes lack 36” (thirty-six inches) of clear width, in violation of section 403.5.1 of the 2010 ADAAG standards.

- (iii) The Facility lacks restrooms signage that complies with sections 216.8 and 703 of the 2010 ADAAG standards.
- (iv) The hardware on the restroom doors in the Facility have operable parts that require tight grasping, pinching or twisting of the wrist, in violation of section 309.4 of the 2010 ADAAG standards.

- (vi) There is inadequate clear turning space in the restrooms in the Facility, in violation of section 603.2.1 of the 2010 ADAAG standards.
- (vii) The accessible toilet stalls in the restrooms in the Facility do not have grab bars adjacent to the commodes therein, or

otherwise do not comply with section 604.5 of the 2010 ADAAG standards.

- (viii) The flush mechanism within the commode in the restrooms in the Facility is located outside of the minimum reach ranges required by section 308 of the 2010 ADAAG standards.
- (ix) The paper towel dispensers in the restrooms in the Facility are located outside the prescribed vertical reach ranges set forth in section 308.2.1 of the 2010 ADAAG standards.
- (x) The mirrors in the restrooms in the Facility exceed the maximum permissible height set forth in section 603.3 of the 2010 ADAAG standards.

**(c) POLICY ELEMENTS:**

- (i) The Facility and Property have not been adequately maintained in operable working condition for those features of facilities and equipment that are required to be readily accessible to and usable by persons with disabilities, in violation of section 28 C.F.R. § 36.211.
- (ii) Upon information and good faith belief, Defendant fails to adhere to a policy, practice and procedure to ensure that all

features and facilities at the Facility and Property are readily accessible to, and usable by, disabled individuals.

31. Without limitation, the above-described violations of the ADAAG made it more difficult for Plaintiff to exit and re-enter her vehicle while on the Property, more difficult and dangerous for Plaintiff to travel upon the exterior accessible routes on the Property, more difficult and dangerous for Plaintiff to utilize the ramp on the Property, more difficult for Plaintiff to conduct her business while inside the Facility, and rendered the restroom in the Facility entirely inaccessible to Plaintiff.

32. The violations enumerated above may not be a complete list of the barriers, conditions or violations encountered by Plaintiff and/or which exist at the Facility and Property.

33. Plaintiff requires an inspection of Facility and Property in order to determine all of the discriminatory conditions present at the Facility and Property in violation of the ADA.

34. The removal of the physical barriers, dangerous conditions and ADA violations alleged herein is readily achievable and can be accomplished and carried out without significant difficulty or expense. 42 U.S.C. § 12182(b)(2)(A)(iv); 42 U.S.C. § 12181(9); 28 C.F.R. § 36.304.

35. All of the violations alleged herein are readily achievable to modify to bring the Facility and Property into compliance with the ADA.

36. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because the nature and cost of the modifications are relatively low.

37. Upon information and good faith belief, the removal of the physical barriers and dangerous conditions present at the Facility and Property is readily achievable because Defendant has the financial resources to make the necessary modifications.

38. In instances where the 2010 ADAAG standards do not apply, the 1991 ADAAG standards apply, and all of the alleged violations set forth herein can be modified to comply with the 1991 ADAAG standards.

39. Plaintiff is without adequate remedy at law, is suffering irreparable harm, and reasonably anticipates that she will continue to suffer irreparable harm unless and until Defendant is required to remove the physical barriers, dangerous conditions and ADA violations that exist at the Facility and Property, including those alleged herein.

40. Plaintiff's requested relief serves the public interest.

41. The benefit to Plaintiff and the public of the relief outweighs any

resulting detriment to Defendant.

42. Plaintiff's counsel is entitled to recover its reasonable attorney's fees and costs of litigation from Defendant pursuant to 42 U.S.C. §§ 12188 and 12205.

43. Pursuant to 42 U.S.C. § 12188(a), this Court is provided authority to grant injunctive relief to Plaintiff, including the issuance of an Order directing Defendant to modify the Facility and Property to the extent required by the ADA.

WHEREFORE, Plaintiff prays as follows:

- (a) That the Court find Defendant in violation of the ADA and ADAAG;
- (b) That the Court issue a permanent injunction enjoining Defendant from continuing its discriminatory practices;
- (c) That the Court issue an Order requiring Defendant to (i) remove the physical barriers to access and (ii) alter the subject Facility and Property to make them readily accessible to, and useable by, individuals with disabilities to the extent required by the ADA;
- (d) That the Court award Plaintiff's counsel reasonable attorneys' fees, litigation expenses and costs; and
- (e) That the Court grant such further relief as deemed just and equitable in light of the circumstances.

Dated: August 29, 2023.

Respectfully submitted,
